KEVLAR® BLUE™ WELDING GLOVES

The KEVLAR® BLUE™ welding glove sets the standard for protection for boiler making and heavy duty welding. Many have tried to copy our glove and failed to meet the quality and protection levels that the original KEVLAR® BLUE™ continually offers.

- Manufactured from soft, premium, selected butt leather.
- Addition leather reinforcing covering the palm and thumb area.
- Extra reinforcing knuckle bar strip across the back of the hand.
- Wear seams are welded for additional protection and wear life.
- Sewn with heat resistant Kevlar® thread for extra durability.
- Available in two lengths: 406mm and 680mm (Kevlar® Blue™ XT).
- Available in various sizes: SML, MED, LRG, XLG.

MATERIALS

- Grade A Butt Leather
- Cotton fabric lining
- Kevlar thread stitching
